Buckner - War Surf (2005) About book: picked up this book because I'd recently been going back and reading the Phillip K Dick winners (the annual award for best Sci-Fi in paperback.) This is the 2006 winner and, having just read such GREAT novels as Vacuum Diagrams, Altered Carbon, and Life, I had high expectations. 120 pages in I was ready to put the book down and move on to something else. In order to achieve the desired outcome of this strategy, we must rededicate the force to attain and sustain sea control, retain the best and the brightest, develop and provide advanced tactical training, and equip our ships with improved offensive weapons, sensors, and hard kill/soft kill capabilities. Surface Forces Strategy - public.navy.mil - shore. As you watch and surf the wave, notice what happens to it. Notice if it gets higher and stronger, or if it starts getting lower and weaker. When it gets weaker, imagine that you're sliding with your surfboard in to shore. When it starts to build again, imagine that you're back out there on the wave, just riding it.
